- 22. INVOICING:** Emory University's most preferred method of invoice submission and presentation is through utilization of cXML. Invoices emailed to Emory are to be sent to the following email address: emory.fsc@emory.edu. Or finally 3) If the invoice is sent via the U.S. Postal Service, our least preferred method, Contractor agrees to send the invoices to **P.O. Box 740046, Atlanta, GA 30348**, or to the address identified in this Agreement. Supplier further understands and agrees that any invoice not delivered in one of the methods described in this Section within 120 days following the final shipment of material or the delivery of any required service may result in Emory's inability to make payment.
- 23. TOBACCO FREE POLICY:** Supplier acknowledges that Emory University is a tobacco-free campus to improve the health of its community members, as such the use or sale of tobacco products in or on Emory-owned or Emory-leased property is prohibited. This prohibition includes smoking in personal vehicles parked on university grounds.
- 24. This "Section" of the "Act" was intended to address Congressional concerns related to the exploitation resulting from the purchase of certain minerals originating in the Democratic Republic of the Congo and adjoining countries. Purchases of products containing these "conflict minerals", by US companies, will directly help finance the conflict, characterized by extreme levels of violence, in the eastern Democratic Republic of the Congo and a continuing humanitarian crisis. Emory University recognizes the humanitarian crisis in the Eastern Democratic Republic of the Congo by supporting the intent of the legislation through the purchase of "conflict-free" electronic products from and through its Electronic Suppliers who are in compliance with the reporting requirements of Section 1502. By accepting this Agreement the Supplier, named on the Purchase Order, certifies that it is compliance with the requirements of **Section 1502 of the Dodd-Frank Act**.
