

TOPIC: Contracts Awarded for Hazardous, Biomedical (RMW), and Pharmaceutical Waste Services

AWARD ANNOUNCEMENT

Environmental Services

We are pleased to announce the award of new waste service contracts as part of our continued commitment to environmental safety and regulatory compliance. These awards reflect our focus on sustainability, cost efficiency, and service excellence.

Hazardous Waste Services

Tradebe Environmental Services Specialists in hazardous waste working with Emory's Environmental Health and Safety Office. Contact EHSO at chemwaste@emory.edu.

Biomedical (RMW) Waste Services

Stericycle provides responsible and compliant management of regulated medical waste. Contact louie.medina@stericycle.com 704-303-4178

Pharmaceutical Waste

Clean Earth will manage pharmaceutical disposal for Emory Healthcare locations.

Emory Contacts for Service Issue Escalations :
Kalpana Rengarajan
Ernestine Mahar

Why is this changing?

In January 2025, in accordance with procurement best practices, we issued a Request for Proposals (RFP) for Hazardous Waste, Regulated Medical Waste (RMW), and Pharmaceutical Waste services. A dedicated evaluation committee was then convened to review the written submissions and vendor presentations.

Process Change:

For Biomedical (RMW). *Emory University only*

The attached guidelines and pricing schedule will be published in Emory Express. For new accounts and to change speedtype, please complete the form located in Emory Express. For all other changes, please log in to MyStericycle.

Date:

Effective August 1, 2025, through July 31, 2028

Questions?

Hazardous Waste, contact Environmental Health and Safety Office (EHSO) at chemwaste@emory.edu

If you have additional questions or need assistance, please contact Ernestine Mahar, Strategic Sourcing Manager: ernestine.mahar@emory.edu
