Attention: Carol D. Carter

Dear Ms. Carter:

We are in receipt of your letter dated February 10, 2005 requesting exemption from sales and use taxes and an account number.

This is to advise that the Revenue Statute does not provide for exemption from the sales and use tax to educational institutions. However, it appears that your organization does qualify for a refund of the sales and use taxes paid on its purchases of tangible personal property in North Carolina.

We are assigning an account number (720017419) and enclosing a set of claim forms to use to file any future claims for refund and a copy of Administrative Bulletin 17 for your review.

Please advise if we can be of further assistance.

Very truly yours,

L. S. Johnson, Tax Auditor

General Instructions

- Use blue or black ink to complete this claim for refund. An Account ID is required to process the claim. If your organization's address has changed since your last refund was requested, complete Form NC-AC, Business Address Correction, found on the Department’s website at www.dor.state.nc.us and mail to the address shown.

- This claim for refund is to be filed by the following entities as specified:
  - Nonprofit entities as defined in G.S. 105-164.14(b):
    Claims for refund of taxes paid during the first six months of the calendar year are due to be filed by October 15 of that year. Claims for refund of taxes paid during the last six months of the calendar year are due to be filed by April 15 of the following year. Refund claims filed more than 3 years after the due date cannot be accepted.
  - Governmental entities as defined in G.S. 105-164.14(c):
    Claims for refund are due on a fiscal year basis within six months of the close of the fiscal year of the claimant. Refund claims filed more than 3 years after the due date cannot be accepted.

- The State general sales and use tax rate is 4.5%. The county sales and use tax rate is 2.5% in all counties. Mecklenburg County has an additional .5% local sales and use tax for public transportation.

- Records must be maintained on a county by county basis to identify the following:
  - Purchases of tangible personal property
  - County tax paid directly to retailers on purchases for use as shown on sales receipts and invoices
  - County tax paid indirectly on building materials and supplies as shown on contractors' statements
  - County tax paid directly to the Department of Revenue

- Records must be maintained for direct purchases and contractor purchases as specified:
  - Direct Purchases - Adequate documentation for tax paid directly to the vendor is an invoice or copy of an invoice that sets out the item purchased, the date of the purchase, the cost of the item, and the amount of sales or use tax paid. Reimbursements to individuals or employees are not considered to be a direct purchase; therefore, the sales or use tax is not refundable.
  - Contractor Purchases - Adequate documentation for contractor purchases is a certified statement from the contractor or subcontractor that purchased the items. The statement must indicate the item purchased, the vendor from whom it was purchased, the invoice number of the purchase, the cost of the item, and the amount of sales and use tax paid. Only items that become part of a building the nonprofit entity owns or leases and uses to conduct its nonprofit activities are eligible for a refund. A contractor may not include in its statement items the contractor purchased and used to fulfill the contract but did not become part of the building constructed. Items such as scaffolding, concrete forms, fuel for the operation of machinery and equipment, tools, equipment repair parts, equipment rentals, and blueprints are not to be included in contractor's statements.
